PERSONAL REWARDS PROGRAM BENEFITS & RULES

The FLEET FEET Sports Personal Rewards program is a perk for our loyal customers. There is no card to carry; there are no fees to pay. When checking out, simply tell the salesperson that you are a program member and they will apply your purchase to your account. On the first of each month, we will email all program participants whose purchases have combined to reach \$250 a voucher good for \$25 off any purchase made within the next three months (effectively resulting in a 10% year-round discount). Program members are responsible for sending email address changes to pr@fleetfeetstlouis.com.

Information you provide to us as part of the PR Program will not be disclosed to any other business. You will receive periodic emails from FLEET FEET Sports—nobody else. Vouchers are not redeemable for cash. The current software package does not award points for purchases made using a Personal Rewards voucher or from our online store, shopfleetfeetstl.com. The next version of the software should award points for both.

Thank you for your business!
